

## NHS DENTAL TREATMENT CHARGES

Examples of payable costs for some of the types of treatment provided by the NHS.

Treatment	Cost From
Examination	no charge
Two Small X Rays	£4.64
Scale and Polish	£10.60
Small amalgam filling	£7.20
Large amalgam filling	£18.52
Root Canal treatment	£38.92-81.48
Single crown	£106.68
Simple extraction	£12.04
Full upper/lower dentures	£175.44

Please note that the NHS fee structure is complex and varies from patient to patient depending on the treatment required. These charges are set by the Scottish Government.

### FREE DENTAL TREATMENT

You can receive free dental treatment if you-

Are under 18 years old

Are aged 18 years and in full time education

Are pregnant or a nursing mother

Certain benefits also entitle you to free dental care. Ask at reception or contact a member of staff

Unless you are in one of the groups entitled to free NHS dental treatment or help with the cost you will require to pay the charges noted above and up to a maximum in any one course of treatment to the sum of £384.
